

Streamline Learning with Modo's Blackboard Integration

Give your students fast access to their grades, courses, and more directly from your campus app or portal.

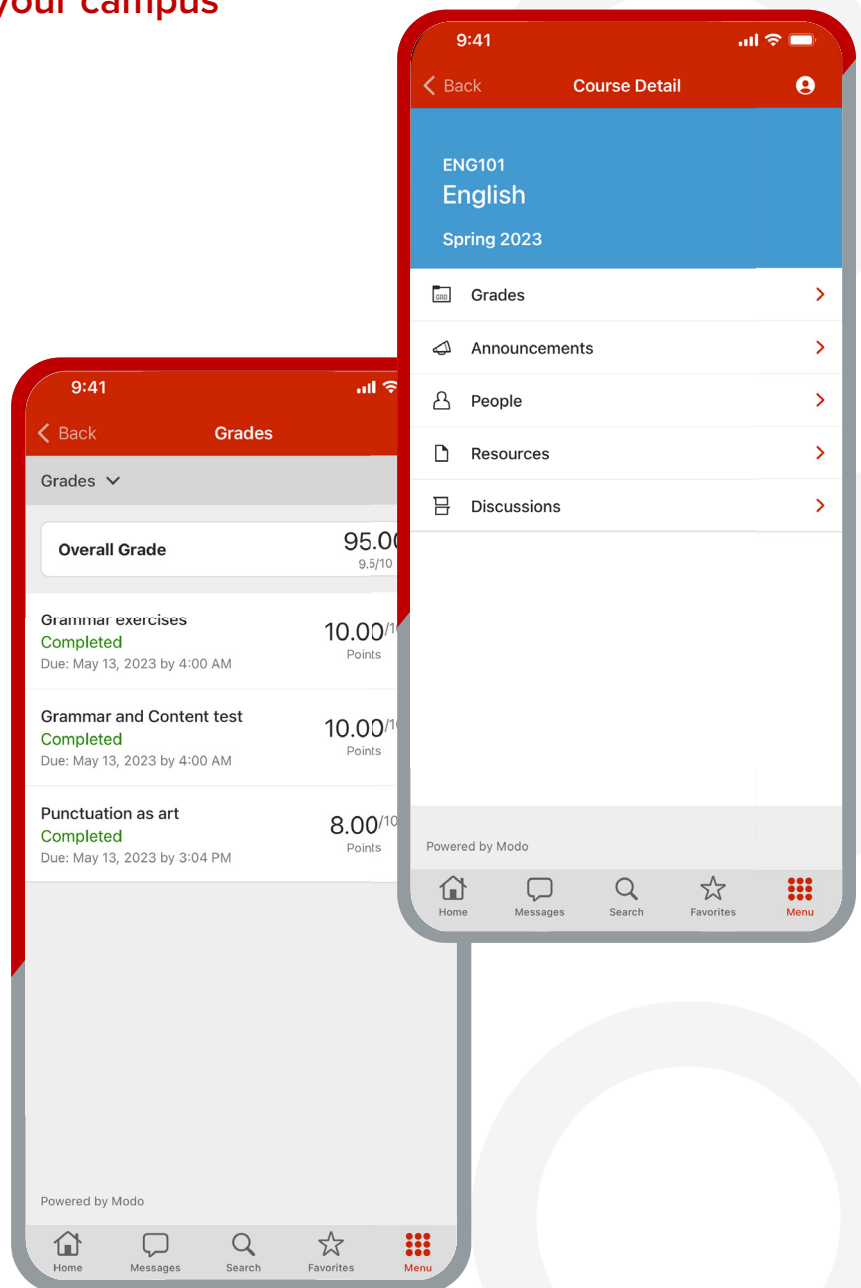

Why complicate learning? Eliminate the hassle of navigating multiple screens, switching between apps, and taking screenshots of class schedules. With Modo's native Blackboard integration, you can bring course information, grades, due dates, discussions, and more directly into your Modo-powered campus mobile app or web portal.

Why Use Modo's Integration With Blackboard?

Simplified Access: Make grades, announcements, and more accessible in one place and viewable through a personalized dashboard.

Organized Learning: Neatly manage and share course content and discussions.

Easier Collaboration: Facilitate discussion forums and group projects directly from the app.

Key Functionality to Support Your Students

Dashboard: Provide students with a seamless experience with all Blackboard functions and features directly from a centralized dashboard.

Course Calendar: Help students stay organized with a comprehensive calendar that displays all their course events for the next 180 days.

Current Courses: Simplify access to essential information like course titles, course IDs, and grades with a single tap.

Past Courses: Give students easy access to their completed courses.

Course Information: Help students explore each course in-depth, navigate seamlessly between sections, and access instructor information.

Grades: Enable students to track their progress with a comprehensive list of grades.

Announcements: Keep students informed with in-app announcements.

People: Foster connections with a list of names and roles of classmates and instructors.

Discussions: Encourage students to engage in course discussions directly within your campus app or portal.

Course Content: Ensure students can access course content just as their instructor organized it.

Widgets: Enhance the student learning experience with custom widgets, like announcements, current courses, and due dates.
