

# Unlock Collaboration and Drive Efficiency Across Your Organization With MODO's Room Booking Module

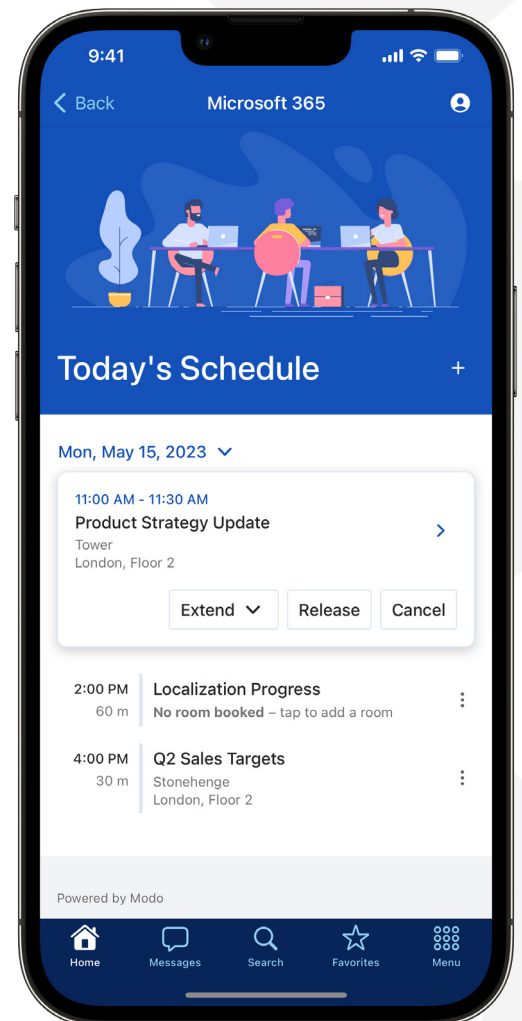

Designed to provide an intuitive and instant room booking experience, MODO's Room Booking module allows your workforce to reserve rooms and meeting spaces effortlessly as part of a unified workplace app experience, fostering a culture of productivity and innovation.

## Effortless Room Booking

Finding and booking meeting and conference rooms has never been faster or easier. MODO's Room Booking module offers a mobile-first, user-friendly interface that enables users to search and reserve rooms based on location, date, time, room size, and desired amenities. Say goodbye to wasted time and frustration—booking a room is just a few clicks away.

## Seamless Integrations

MODO's Room Booking module seamlessly integrates with popular calendaring systems such as Microsoft 365, Google Workspace, EMS, Condeco, and FM:S Asure to streamline the booking process. Connecting with your existing tools ensures a seamless transition and avoids disrupting your workflow.

## Stay Organized and Informed

Modo's Room Booking module provides a comprehensive view of your schedule and booked rooms, allowing you to effortlessly manage your calendar. The app's home screen gives you an instant glance at your next scheduled meeting or booking, even if you didn't create it in the Modo app.

## Customizable Room Selection

With our module, you can easily find the perfect conference room for your needs. Filter rooms by size and amenity to discover the ideal space that suits your requirements. Whether it's a small team gathering or a large-scale conference, our module has got you covered.

## Efficient Meeting Management

Adding attendees and integrating virtual conferencing has never been simpler. With our Zoom and Microsoft Teams integrations, you can seamlessly incorporate video conferencing details into your room bookings, thus eliminating frustrating, manual coordination and streamlining meeting management.

## Embrace the Hybrid Workplace

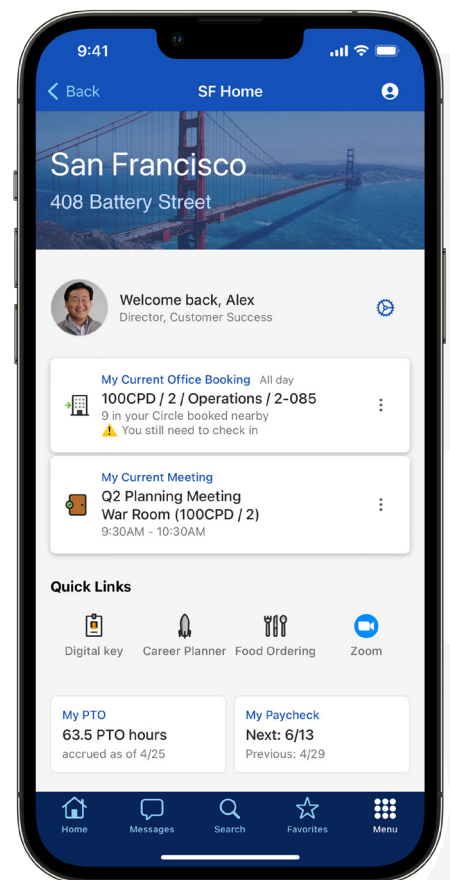

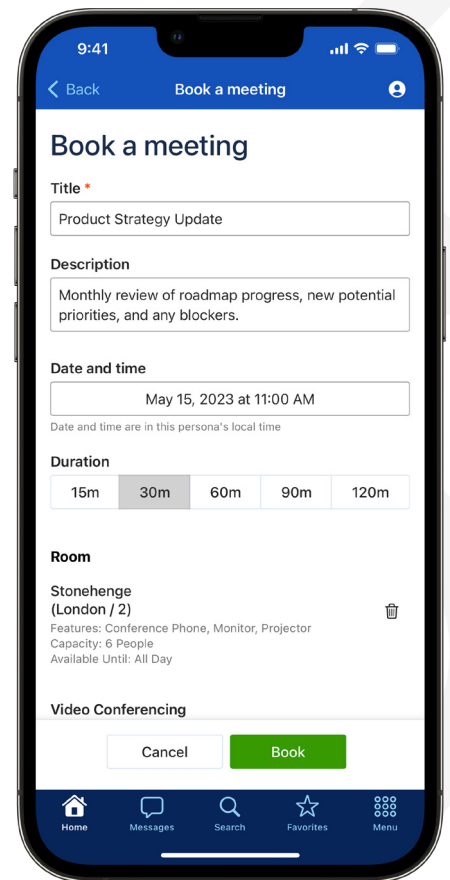

In an ever-increasing hybrid workplace, our Room Booking module ensures that your employees can connect, collaborate, and be productive regardless of their location. With intuitive booking capabilities, your employees can make the best use of your real estate investment while staying connected and engaged.

## Foster Corporate Culture

Engage and connect remote employees by providing them with a centralized hub for all their meeting needs. Our Room Booking module fosters a sense of belonging and strengthens your corporate culture, ensuring that everyone feels connected and valued.

## Unlock the Power of a Unified Workplace App

Our Room Booking module integrates seamlessly with the Modo Workplace app, which gives you a unified platform to optimize efficiency and streamline operations. From task management to project collaboration and employee engagement, the Modo Workplace app gives your employees the tools they need to succeed in a safe, collaborative environment no matter where in the world they work from and on what devices.

Go beyond Room Booking with immersive, integrated experiences that help employees connect, collaborate, and be productive while maintaining health and wellness standards.
